of showing comparatively the cost of administration in Oklahoma and other jurisdictions. Attorney Mott obtained data showing that the average cost in thirty other states does not exceed per cent. The report contends that conditions have been aggravated by the discontinuance of the district agency plan and in this and other respects verifys many statesments made by the officers of the Oklahoma department of charities and corrections, whose report was transmitted to congress by the president with his veto of the act for the removal of restrictions

Some Comparisons.

The affairs of a few minor Indians the task, that we bring out something sional guardians for Indian children, county, Oklahoma, since statehood, 584 guardianships have been in the hands of professional guardians. These amounted to \$43,000 and guardian fees tration in Muskogee county was only 4 per cent of the amount handled, he charges, while forty-nine guardianships of the estates of white minors aggregated \$188,000 and the cost of administration was only 1.7 per cent of the amount handled.

In Wagoner county, the administratration of the estates handled by professional guardians, he says, cost over 24 per cent of their total valuation, while the administration of estates handled by competent guardians cost only 3 per cent of their value.

In Other Counties.

In McIntosh county the cost of administration by professional guardians amounted to 18 per cent of the total der to crowd that neighbor still tives Ferris, Carter and Davenport amount handled as against 2.3 per cent in the case of estates handled by acute, and one of the women spoke lahoma and declared that they were competent guardians, he alleges.
